Kent Beekeepers Association (KBKA)
on behalf of KBKA and each of its Branches

Privacy Notice

KBKA, through its Branches, collects and uses your personal data in accordance with the UK General Data Protection Regulation (GDPR). If you have joined your local beekeeping Branch of KBKA you submitted information allowing us to register you with KBKA, BBKA and Bee Disease Insurance Ltd (BDI) and with Bee-Craft Magazine; this allows us to keep in touch with you and provide you with our services. A notice appears on your Branch membership form for new and renewing members to that effect. We hold that information for those purposes for as long as you remain a member and thereafter until you notify us otherwise.

Our legal basis for processing your personal data is our legitimate interest as a beekeeping association. We use the data for the administration of your membership, the communication of information and the organisation of events, training courses, assessments and exams. We may share it with BBKA, BDI, the BBKA examinations Board and BeeCraft for the purpose of administering your membership requests. We may also share it with HMRC to reclaim the tax if you have submitted a Gift Aid Declaration and with Bee Base if you permit us to do so.

More detailed information on our processing of your personal data and your rights in that regard is in the KBKA privacy policy, which applies to KBKA and all its Branches and this can be found on the KBKA website: https://www.kbka.org.uk
